Report of Webinar on Importance of Entrepreneurial Mindset of the Students for Future Livelihood

As part of the 75 Azadi Ka Amrit Mahotsav celebrations, the Career Development Counseling & Placement Cell of Sripat Singh College, SCBC College, Lalgola College, Nabagram ACK College, Jalangi Mahavidyalaya, Nagar College, and Muzaffar Ahmed Mahavidyalaya organized a pivotal webinar focused on "The Importance of Entrepreneurial Mindset of the Students for Future Livelihood." Held on December 28, 2022, at 2:30 PM, the online event via Google Meet aimed to instill the virtues of positive thinking and entrepreneurial spirit in students, emphasizing how these qualities are crucial for future success and sustainable livelihoods. Eighty-nine students participated in the program.

This initiative underscored the collaborative efforts between educational institutions and government bodies, with notable participation from distinguished academicians and professionals. Dr. Supam Mukherjee, Teacher in Charge at SCBC College, Dr. Sudipta Sau, Teacher in Charge at Nagar College, and Prof. Asis Kumar Sen, Teacher in Charge at Sripat Singh College, were key academic figures leading this endeavor. Their contributions aimed to provide insightful perspectives on fostering an entrepreneurial mindset among students, thereby preparing them for the challenges of the future job market.

Adding to the depth of the discussion, Mr. Tanmoy Brahma, General Manager of DIC-Murshidabad, Government of West Bengal, and Mr. Bipul De, Assistant Director of MSME, Government of India, offered their expert views on the role of governmental support in nurturing entrepreneurial skills. Their participation highlighted the importance of aligning educational outcomes with industry and governmental frameworks to create robust support systems for aspiring entrepreneurs. This webinar was a testament to the proactive measures being taken to bridge the gap between academic learning and practical industry demands.

The theme of the webinar, "Positive Thinking is the Key to Success," resonated deeply in the context of developing an entrepreneurial mindset. Positive thinking not only fostered resilience but also encouraged innovative thinking and problem-solving capabilities, which are essential traits for any successful entrepreneur. By integrating this mindset into their educational framework, the participating institutions aimed to equip students with the necessary skills and attitudes to thrive in an increasingly competitive and dynamic global economy.

For those interested in attending, registration was available via the following link: [Registration Link] (<https://forms.gle/S4nG3PtuD9zgJ83u6>). This webinar represented a significant opportunity for students to gain valuable insights from experienced educators and professionals, setting them on a path toward successful and sustainable careers. The collaborative effort between colleges and government agencies highlighted the importance of a unified approach in addressing the educational and professional development needs of students, ensuring that they are well-prepared to contribute to the nation's economic growth and innovation landscape.
