## Report on One Day Awareness Program on Preventive Measures Against Women Trafficking

On March 14, 2019, Nabagram Amar Chand Kundu College's NSS Unit & Career Counseling and Development Cell, in collaboration with SCBC College, Lalgola College, Sripat Singh College, and the Child in Need Institute (CINI), organized a one-day awareness program on preventive measures against women trafficking. The event aimed to educate and empower the community on the critical issue of women trafficking and the measures that can be taken to prevent it. The program featured Mr. Shyam Sundar Sett as the keynote speaker, who provided valuable insights into the global and local context of human trafficking.

The program was attended by 50 participants, including students, faculty members, and community representatives. The schedule included sessions on understanding women trafficking, legal frameworks, and support systems, and preventive measures. Real-life case studies were presented to illustrate the forms, causes, and consequences of trafficking. Additionally, participants were informed about national and international laws and the role of governmental and non-governmental organizations in supporting trafficking victims.

Interactive workshops and panel discussions were held to engage participants in identifying signs of trafficking and learning how to respond effectively. The panel included law enforcement officials, social workers, and survivors, who shared their experiences and discussed challenges and solutions. The event concluded with a Q&A session, allowing participants to seek clarifications from the experts, followed by a summarization of key points and a vote of thanks.

  
Principal

The awareness program successfully sensitized attendees to the gravity of women trafficking and equipped them with knowledge on recognizing and preventing it. The collaborative effort highlighted the importance of community involvement in combating trafficking and provided a platform for ongoing education and advocacy. This program was a significant step towards creating a safer environment for women and eradicating trafficking through continued efforts and collaboration between educational institutions, law enforcement, social organizations, and CINI.
