Action Taken Report on Feedback Report for the Academic Session: 2019-2020

The year ended with a shadow over the existing educational system with the COVID-19-induced lockdown. Despite this, feedback was gathered from different stakeholders, and after thorough analysis, the IQAC coordinator presented a comprehensive report. Following careful consideration, the IQAC has recommended the following actions to be taken or implemented as soon as possible:

1. Students should be encouraged to stay fit and healthy.
2. Students should be encouraged to stay home, stay safe, and avoid social gatherings.
3. Teachers are requested to start online classes through the Google Meet platform with a flexible routine.
4. Google Classroom and other online platforms should be used as much as possible to maintain teaching-learning standard and exchange of study materials.
5. Teachers are encouraged to supply e-resources to students.
